

Be An Ambassador

Nurture the life of the Institute

The Vision

\$400,000 raised in 10 months: September 1, 2022 until June 30, 2023.

The Purpose

Bridge the gap between the building of the BeADisciple Study App with its first three studies and the time when fees for the studies produce revenue.

Support the other Institute ministries to maintain their momentum.

The Process

Steve Wilke and a supportive cast will work tirelessly to ask friends of the Institute – old and new – to help reach this goal.

The Proposal

BeAnAmbassador and join in making the Institute's life changing ministries a reality. For all the information you need to join the vision and make it happen, [visit this site.](#)
